FREEDOM

Renae,

Yes should be Freedom '78" was, just I mean yes.
This year has been a good year & the next will be
better. although I can't stand him I still had
fun in team. Next year will be a hard year &
even though you beat me out of Sec. I'll still
participate in jr. class activities. I'm looking forward
to our jr. & sr. year. well take care &
keep in touch.

Junior Class Works Toward Prom

Beginning with the Fall Carnival, the Juniors are engaged in numerous money-making projects. The class is working diligently to prepare for the prom. Of course, they do not spend all their time in preparation for it. The students are busy taking a wide variety of classes. From consumer math to chemistry to numerous business courses, Juniors have a chance to develop their skills in the area of their interests.

The Juniors are busy with their own projects, but still have time to support their school. By participating in extracurricular activities such as clubs and sports, the Juniors do things their way.

Officers conduct class meetings with pride.

Letters and Note Regarding Work for C.O.P.E. Center

Chautauqua Offices of Psychotherapy and Evaluation

P.O. Box 607
112-A WEST NELSON AVENUE
DEFUNIAK SPRINGS, FLORIDA 32433

ROBERT K. QUAM, M.A., CMHA
EXECUTIVE DIRECTOR

July 9, 1993

To Whom It May Concern:

The purpose of this letter is to offer the support of this office for Mark and Renee' Carter to obtain FCC approval to open a new FM radio station in South Walton County. Mark Carter has been actively involved with COPE Center's STAR (Students Taking Active Responsibility) Program, where he assisted in the production of anti-drug videos featuring STAR students.

Mr. Carter served as a Board Member for COPE Center's Board of Directors from February, 1986 until February 1990. His last term he served as President of the Board.

Mr. Carter has been a tremendous help to this organization over the past eight years and to the community of Walton County.

If you need any additional information, please do not hesitate to call.

Very sincerely,

Robert K. Quam, M.A., CMHA
Executive Director

Federal Commission Conference
Washington D.C. 20554

To Whom It May Concern;

The Cope Center's S.T.A.R. Program staff has had the privilege of working with Mr. Mark Carter for the past several years. Mr. Carter has generously given of his time and talents to assist our staff and students in the making of several drug prevention education videos.

Since our program started in 1986, Mr. Carter has provided an opportunity for S.T.A.R. to educate our county through prevention messages given by Public Service Announcements, aired on his previously owned radio station WAVE 102 as well as through his involvement in the development of the before mentioned prevention education videos.

Mr. Carter has, in my opinion, always shown a great interest in helping Walton County become a better informed area, whether through his active support of educating our school age population or the public in general, his genuine concern has been greatly appreciated by the S.T.A.R. Program and many others who are working to provide our area with information to keep us prepared for a growing future.

The S.T.A.R. staff looks forward to working with Mr. Carter in his upcoming endeavor and hopes your agency will give him every consideration to expand his work of community service.

Sincerely,

Katherine E. Bunge, B.S.

July 14, 1993

To Whom It May Concern,

I am writing this letter to express my sincere hope that Mark Carter receive approval to open a new FM Radio Station. Over the past several years, at C.O.P.E., I have worked closely with Mark at the STAR Program and have had the opportunity to observe his creativity in producing drug prevention videos. He and his family have been an asset in providing numerous "community service" projects throughout Walton County. Mark Carter also made a positive impact throughout the community as a COPE Board member and Board President.

I appreciate all the hard work Mark has contributed over the years, and it is my sincere wish that his request is approved.

Sincerely,

Pamela K. Stuckey, MS
Department Administrator

To whom it may concern,

I have been an employee of the C.O.P.E.-S.T.A.R. program for two and a half years. Having served in the Walton area, I have many times sought out resources that Mr. Carter has graciously provided.

Last year Mr. Carter, came and filmed over a six week period, a wonderful prevention video on drunk driving. The 6th grade at Bay Elementary all starred in the movie. This video was shown county-wide to approximately 900 6, 7, & 8th grade students.

Mr. Carter has always been a great asset to our program. He has provided so much and so many different resources for the youth of Walton County it would be impossible to list.

Sincerely,

Paula Clauson M.S.
